

National Agricultural Aviation Association

July 15, 2004

To Whom It May Concern:

I am writing this letter of recommendation on behalf of Kristin Bennett. Kristin and I worked together from 1997, when I began working for the National Agricultural Aviation Association (NAAA), until 2003. Ms. Bennett worked during that time as the executive director of the South Dakota Agricultural Aviation Association (SDAAA)—a chapter of the NAAA. Our offices worked cooperatively in a non-profit capacity to promote and enhance the professionalism of the agricultural aviation industry.

Kristin organized the annual SDAAA convention, produced the state membership directory, served as liaison between the NAAA office and the SDAAA's membership, produced the SDAAA quarterly newsletter, and generally kept the Association on track in keeping with the Board of Directors' set directives.

As executive director of the SDAAA, Kristin was presented with a variety of challenges in running the Association. From my experience working with her and from communications I had with her membership, she addressed these challenges successfully using a variety of skills. Kristin proved very adept at handling issues involving meeting planning, communications, public and government relations and any other subject required from the SDAAA leadership. Furthermore, she performed these issues in a positive and professional manner.

Again, I found Kristin to be a hard working, capable, and conscientious worker. She has a friendly personality and works well with a diverse group of people. Should you have any further questions regarding Kristin's abilities, please don't hesitate to contact me at (202) 546-5722.

Sincerely,

Andrew Moore
Executive Director
